Bonnie Habyan speaks from the heart while sharing her experiences of success, failure, love, loss, working hard, overcoming adversity, and reinvention.

What People Are Saying...

"Bonnie is a phenomenal speaker with dynamic energy. She layers in her own personal experiences and stories, which strongly resonates with the audience. She will leave them a moved and motivated."

She is a tenured Chief Marketing Officer who has used her entrepreneurial and forward-thinking business acumen to help support strategic growth for numerous private and companies.

Bonnie brings abundant energy, engagement, relatability, authenticity, inspiration, transparency, and delivers actionable steps for achieving goals.

Throughout her career, Bonnie has worked in marketing, television, radio, as a spokesperson.

In 2022, she published her first book, "The World According to Bess, a Funny Unfiltered Memoir of Life Lessons from My 90-Year-Old Mom," that was an Amazon bestseller in several categories.

Bonnie's goal is simple - to inspire and empower individuals to implement steps to make a positive impact in their personal and professional lives.
